SAPA COMMITTEE NEWS

Membership Update

Refer a friend, enter to win!
SAPA would like to encourage you to invite psychologists to join our wonderful association. If you refer someone and they join, you will be entered in a drawing to win a gift certificate to a Tucson restaurant.

Thank you in advance for spreading the word about SAPA to the Tucson Psychology community! Know lots of people you think would like to join? GREAT! The more people you refer, the better your chances to win!

SAPA MEMBER NEWS

(Sapa neither sponsors nor endorses the following events, but provides the information as a service to our members.)

Hello fellow SAPA members,

I wanted to let you know that I am accepting clients for two groups this summer (and potentially into the school year depending on how it goes). If you have a client (or a client's child) that may be interested, please have them call my office 887-5489 to get on the group list. Groups will begin when I have enough group members who are interested.

The first group is for 12-14 year-old females. This group will be 6 weeks in length and groups will last one hour. The group will be a process group with activities. The focus of group will be coping skills, friendships, healthy relationships, and social pressures.

The second group is for 15-18 (19 if still in High School) year-old females. This group is 6 weeks and is a 1.5 hour group. This group is also a process group and is targeted for girls with anxiety.

I am not contracted with insurance. My office is located on River Road near 1st Avenue. Potential group members are asked to participate in a 30-minute meeting with me to determine if they are appropriate for the group.

Thank you in advance for any referrals. Please contact me with any questions.
