Office Space Wanted

I'm looking to rent a full-time unfurnished office for my assessment practice.

Ideally, I would love to rent an office in a suite with other clinicians or health care providers but am open to other options. A waiting area and wheelchair accessibility are important.

I would prefer 120sf or larger in central, west, or NW location.

I'm also looking to purchase the following "gently used" test kits if anyone has them and does not need them anymore:

CTONI-2, TONI-4, RBANS Update

If you have space or know someone who might have space opening up in the next few months, please contact me via email (drbeldotti@aol.com).

Thanks,
Patti Beldotti
