A MESSAGE FROM

SAPA

SAPA Professional Outreach Meeting

Just a reminder that this month's Professional Outreach Committee is NOT going to be at Vero Amore at 6:00 pm but instead at the UA RISE Health and Wellness Center/Camp Wellness (1 short block from Alvernon and Speedway) at 6:30 pm.

We'll be discussing the Medicare rules about the Physicians Quality Reporting System (PQRS), trying to ascertain how many of us are dealing with the confusion surrounding them.

The location is 1030 N Alvernon Way (east side), at the corner of 1st Street, just south of the Shell Station at Speedway and Alvernon. Plenty of parking on site.

I have two short video's from the APA Practice Organization, some materials to share, and a lot of curiosity around what others are thinking they'll do as we move ahead. It's already too late to start using instruments during 2013 in order to avoid 2015 penalties. What about 2014? How are folks proceeding?

See you Thursday at the UA RISE Health and Wellness Center (Camp Wellness). I'll bring iced tea and some snacks.

Andy Bernstein

SAPA School Psychology Committee and AASP present: Katie Eklund, Ph.D.

Meeting the Behavioral Needs of All Students: Using Universal Screening to Inform Intervention for Behavioral and Emotional Concerns

Friday, May. 2, 2014 1:00 p.m. – 3:00 p.m.

SAPA's First Research Day

Research day will be held on **Saturday, May 3rd from 10:00 AM - 1:00 PM** at La Frontera (502 W. 29th St., Tucson, AZ 85713). This event is co-sponsored by The Southern Arizona Psychology Internship Center (SAPIC).

Joint SAPA / AZPA Meeting

SAPA is pleased to host the annual joint meeting of SAPA and AzPA. We will be meeting on Friday May 9th at Metropolitan Grill. More details and ways to rsvp will be sent out shortly.

Information for the Digest?

The Communications Committee is actively working on ways to improve how we interact with our members as well as provide information to the public. If you have information that you would like included in this digest, a referral request, or a general question, please send those requests to sapaweb@gmail.com. On our website, you can find an updated calendar of events, links to event registrations, a local Find a Psychologist list, and other useful links. Find us at www.sapaonline.org.

The Department of Psychiatry will be holding the 13th Annual Women's Mental Health Symposium at the Westin La Paloma on May 9, 2014 in Tucson, Arizona. This year we have integrated a pediatric focus to the program. We are anticipating approximately 250 participants. The audience will consist of physicians, nurse practitioners, physician assistants, nurses, psychologists, school counselors, allied health students, and interested community members. This activity will provide an overview and practical summary of the latest information on women's mental health. This conference has multiple accreditation including CME, AzPA and AzNA (6.50 contact hours). In relation to the goal of improving patient care, participants of the conference will be able to integrate important research findings, clinical guidelines, and other topics of clinical importance relevant to women with mental health issues or concerns. Participants will understand and integrate these topics in a broad context of biological, psychological and social factors that are relevant to women.
